## Chamber member wins top National Award

South Wales Chamber of Commerce members Abriox Limited have won the Award for Outstanding Business Achievement at the British Chamber of Commerce National Awards held in London last night.

As well as winning the national category award for Business of the Year, Abriox have scooped the well deserved top prize of £25,000. Recently winning the award of Welsh Company of the Year at the South Wales Chamber of Commerce 2010 Business Awards, Abriox really is flying the flag for Welsh Business.

Graham Morgan, Director of the South Wales Chamber of Commerce, said: "On behalf of the Chamber I would like to congratulate our members on an outstanding achievement at last night's awards. As we try and emerge out of the recession it is refreshing to have a Welsh business win such a prestigious national award.

"It is good news, such as this, that only makes it more frustrating that key projects such as the electrification of the Great Western mainline have been delayed. Businesses in Wales have a lot to offer and Abriox Limited is proof that Wales is definitely open for business."
