South Wales' 'Go Green' Business' have been selected!

The South Wales Chamber of Commerce is pleased to announce the shortlisted businesses for 'Go Green' – one of the award categories that form the Chambers of Commerce Business Awards, in partnership with the Western Mail.

This year Cardiff based Euro Quality Coatings Limited, Cardiff based Green Light Products Ltd and Caerphilly based RUMM Ltd will go head-to-head to compete for the title of 'Go Green'.

The Go Green Award is sponsored by Carbon Trust and the winners will be announced at the Awards Dinner on Friday 24th September at the Mecure Holland House Hotel.

Mike Batt, Manager of Carbon Trust Wales, said: "We are delighted to be involved the Go Green Award again this year. It is a great platform for us to inspire more organisations in Wales to make business sense of climate change by recognising those already at the forefront of carbon reduction in their field. And the three companies short listed for this year's Go Green Award are no exception.

“All three are tackling carbon emissions reduction head on either through provision of environmentally sensitive product innovations, high tech energy monitoring, measuring and targeting systems or a combination of both to facilitate dramatic savings in cost, carbon and energy use both on-site and across their supply chains.”

Euro Quality Coatings Limited, said: “Euro Quality Coatings Limited is delighted to be shortlisted by the South Wales Chamber of Commerce for the 2010 Go Green award.

“A commitment to environmental sustainability is vital to any modern business and Euro Quality Coatings are pleased to be recognised as a focused and continuously improving company in this important field.

“Euro Quality Coatings have identified awards processes such as these as key opportunities to benchmark our environmental activities against best practice, to ensure that we continue to focus towards our goal of becoming a successful and responsible company, whilst enhancing the positive reputation of Welsh industry throughout Europe.”

Euro Quality Coatings Limited is one of the UK`s leading powder coating applicators situated in Cardiff. Serving a wide variety of industries, including automotive, architectural, road & rail, office & retail, building products, medical & healthcare, leisure, and general industrial, we actively seek customers with demanding aesthetic and functional requirements and where long term durability is required.

Karl Yeo from Green Light Products Ltd, said: “We are very excited about being short listed for this award. It’s great to see real recognition

for the people that have helped us and our staff who have made it all happen.”

Green Light Products Ltd develops and manufactures environmentally sustainable protective packaging. Recently re-located to Cardiff, the company is a market leader in biodegradable packaging and exports its products all over the World.
