

INTERNATIONAL TRADE

The South Wales Chamber of Commerce plays a key role in economic development and international trade – vital and integral parts of the Welsh business community. Our services are designed to help new and experienced exporters get the most out of trading overseas.

We are able to offer a comprehensive range of international trade advice, guidance, training and services, including:

- Export Documentation - certification and legalisation
- Advice on Import & Export Procedures
- eCert & aCert - electronic certification
- Export Training
- Blank Forms
- Access to the West Wales Exporters Association
- Access to International Business Wales

As a member of the Chamber you receive a significant discount on our various export documentation services. See the table below for information on how much you could save as a South Wales Chamber Member.
