

Statement

For immediate release

5th May 2010

Graham Morgan, Director of the South Wales Chamber of Commerce, said: “It is great news for the City of Newport that MIR Steel UK Limited intends to commence production this year, creating a potential 100 new jobs to the area. Newport is traditionally an industrial town and to have a steel manufacturer re-open is a true reflection of the recent improvements in the steel industry as we emerge out of the recession.”
