For immediate release

**20<sup>th</sup> August 2010**

Graham Morgan, Director of the South Wales Chamber of Commerce, said:  
“Relocation packages are extremely common within the private sector, particularly when businesses are looking for the right person with the right skills, background and expertise. Relocation packages are more common within larger organisations but this isn’t to say smaller organisations wouldn’t offer a relocation package to fill a specific position that deemed crucial to business progression.”
