8th January 2010

David Russ, Managing Director of South Wales Chamber of Commerce, said: “The recent cold weather has caused many disruptions around the country and business, particularly the retail industry have been affected. The New Year started out positive for retailers with the traditional ‘January sales’ but this has sadly been disrupted by the current freezing weather conditions.

“I would like to think if we have this type of weather again, the country will be more prepared.”
